Below are valuable donations by Marc H. Dawson of his own Field interview notes and tape recorded cassettes (1978-79) to the Department of History and Archaeology. This is great recorded history that has contributed to history in general and to the field of Historical Methods at graduate and postgraduate levels. Prof. Dawson was a Research Associate with the Department of History, University of Nairobi back then, in late 1970s.

Prof. Marc H. Dawson is current chair, Department of History and Political Science, Western New England University.

As a Department, we are grateful to Prof. Dawson of this rare gift...a gem for Historians.
